Subject: Foodbank Lifeline Foundation (Community Development) – Friday 5th June 2020, 16:00 HRS

As a responsible corporate citizen, on a yearly basis, Electrogas Malta Ltd invests in social and community development activities. The key objectives for community investment are to support the opportunities, main concerns and needs of the neighbouring localities as identified through ongoing communication with stakeholders including the public, NGO's and other interested parties.

As Malta faced the unprecedented impact of the COVID-19 pandemic, Electrogas Malta Ltd stands with the community to help ease the related economic hardships faced by the communities in which we live and work. Guided by its values and a spirit of giving, the company has made an additional contribution to the Foodbank Lifeline Foundation who work around the clock to provide food for people in need. In response to the impact of COVID-19 the company donated EUR 25,000 to the Foodbank to help the foundation reach out and help a greater number of people in need. Our contribution reflects and expresses our gratitude to the people at the forefront who dedicate time and energy to help others.
